COLLECTION 2026
Storage, beautifully considered.
Kitchen systems & objects for better living.
NINGBO / CHINA

Objects for better living.

A considered place for the things you use every day. From the architecture of a kitchen to a small object on a bedside table, the collection brings storage into the language of the home.

THE COLLECTION

Find your place.

01 Kitchen systems 009-254

02 Kitchen essentials 255-270

03 Bathroom storage 271-286

04 Bedroom & closet 287-302

05 No-drill storage 303-318

Seven distinct Huanda selections per category, plus an extended partner-kitchen technical range.

Storage that responds.

94%

of surveyed homeowners upgrading kitchen cabinetry incorporate specialty storage features.*

Dedicated places

Pull-outs, tray storage and drawer inserts make individual objects easier to find.

Everyday routines

Bathroom and entryway storage groups the things used together.

Natural texture

Woven and wood-look objects soften the utility of storage.

*2026 U.S. Houzz Kitchen Trends Study. Selection direction, not a product sales ranking.

The architecture of order.

An extended technical collection of pantry units, lift systems, corner solutions, base-unit storage, drawer organization and waste sorting.
